

Voisin Supports Healthy Schools

Voisin are proud to have sponsored a winner of Jersey's Healthy Schools Award by providing funds towards the purchase of new team strips for the School's netball team.

St Clement's School received the award during a special end of year assembly at which Voisin's Head of Marketing, Georgina Jeffries, received the gratitude of the School as the netball team showed off their new Voisin-sponsored kit.

Kim Ashton, a former St Clement's pupil and multiple medal winner from the recent Island Games presented the award. Mrs Karen Le Mouton and Mr Andrew Heaven from Health Promotion attended the special assembly as did Mr Cliff Chipperfield from the States of Jersey's Education, Sport and Culture department.

Voisin and Volaw have a joint sponsorship policy, which is to support the children of Jersey in their development within our local community.

For further information about our sponsorship strategy, please contact Georgina Jeffries (georginajeffries@voisinlaw.com), our Head of Marketing.
