

Dear IPG members

Within the scope of my specialisation in inheritance law, the Swiss Bar Association awarded me the academic title "Fachanwalt SAV Erbrecht" (specialist in inheritance law). This award is the result of the successfully completed further education at the universities of Zurich and Lucerne.

The title "Fachanwalt SAV Erbrecht" stands for and guarantees a superior knowledge as well as a perennial professional experience in all matters in inheritance law and in coherent faculties. Thereby the clients shall have the certainty, that their requests concerning inheritance law will be handled the best way possible.

If you or your clients have any questions in the field of inheritance law and coherent areas of expertise in Switzerland, I would very gladly provide you with my services.

Having said this, I'd like to thank you for your appreciated attention and wish you all the best.

Sincerely Yours

lic. iur. Michael Sigerist, LL.M.
