

# BENCLINOV & ASSOCIATES

At BENCLINOV & ASSOCIATES the main drive and focus is the successful development of their partners businesses. With a long tradition within the legal world, they have by now a thorough understanding of the business environment and an unrivalled expertise in both Romanian and international legal frameworks.

By building a close partnership with their clients, constantly communicating with them and always seeking the best innovative legal solutions, the law firm helps them turn their business visions into a bright future reality.
