

Training on Business Coaching (1 day workshop)

Trainer: Dr. Bernhard Wisleitner, CMC

This one-day training program is designed to provide an introduction to the theory and practice of business-coaching. Participants will learn how coaching works and what the benefits in daily business are. The seminar is suitable to everyone who is interested in learning more, in particular for top and middle-management and aims to offer an understanding of how coaching can be implemented in their roles as leaders and how coaching for their employees can improve the business' performance.

The seminar focuses on relevant introductory skills. It is suitable for those who are facing an increasing variety of challenges with the focus to get an additional benefit from coaching within their organisations.

Dr. Bernhard Wisleitner is a Certified Management Consultant. He has a background of law and economics and vast knowledge on coaching and mediation, having professional experience on financing, investments, acquisitions, project and executive management.

The Training will take place in Brussels (Avenue Louise 146), on the 24th of October, from 9:30 until

18:30.

The registration fee is 200 EUR and seats will be assigned on a first come first served basis.
