Dear Members,

I would like to share, with great pride and satisfaction, that after being scrutinized on the Senate Economic Affairs Committee and approved by vote in the Senate Plenary, I was appointed this October by the President of the Brazilian Republic to be Conselour at CADE - Administrative Council for Economic Defense, one of the most prestigious bodies in the country and internationally recognized.

During my mandate, I will be absent from my activities, and João Almeida Prado, co-founding partner with me, will continue to work together with the team and lawyers of the office with the same professionalism and attention.

I´d like also to communicate that the office was recognized again as one of the most admired offices in the country by the magazine by “Revista Análise”.

Kind regards,

Luiz Augusto Azevedo de Almeida Hoffmann
