## **Klaus Bertram appointed as member of Small and Medium Practices Committee of IFAC**

NEW YORK: The Nominating Committee of the International Federation of Accountants (IFAC) appointed Klaus Bertram – Managing Partner of DELTA Revision GmbH, Mannheim – as member of the Small and Medium Practices Committee (SMPC) for the period from 2016 to 2018.

SMPC represents the interests of small and medium-sized companies and audit firms within IFAC. The committee plays an important role in communicating the interests of the small and medium-sized sector to the standard setting bodies within IFAC.

SMPC consists of 18 members representing all major regions of the world. Klaus Bertram was nominated as German representative of both German member organizations of the IFAC, namely Institut der Wirtschaftsprüfer in Deutschland e. V., Duesseldorf (IDW) and Wirtschaftsprüferkammer, Berlin (WPK).

DELTA Revision GmbH is a medium-sized audit- and tax advisory firm acting throughout Germany. Apart from audit and financial reporting services, tax advisory and valuation services are additional and important key elements of the company's business. At international level DELTA Revision GmbH is an independent member of "International Practice Group" (IPG). IPG is an association of medium-sized audit-, tax advisory- and law firms with representatives in all essential economic centres throughout the world.
