## Welcome to our December Ewire

We like to keep you up to date with ideas and information that will help you gain the maximum advantage from working with us.

Our Ewires will be sent to you regularly to keep you in touch with the latest legal news and we hope you will find these bulletins interesting.

In this edition, we examine changes to the law that commercial landlords need to know and take a look at the current position under the Energy Performance of Buildings (England and Wales) Regulations 2012. Pensions partner Jennie Kremer looks back at some of the main developments in pensions over the past year and we consider Decree Nisi and Decree Absolutes in divorce cases.

We find out about IPAN – a network of organisations that seeks to strengthen understanding of IP to improve the functioning of the knowledge market – and look back on the successful year enjoyed by our IP and Company Commercial teams.

Finally, Employment Partner Victoria Russell ponders over the myriad of legal loopholes that Mr. S. Claus could fall foul of this festive season.

If you would like further information on any of the issues reported here, please [contact us](#).

We operate a responsible email policy at Silverman Sherliker LLP Solicitors, so if you do not wish to receive further copies of our Ewire, please [click here](#) to unsubscribe.
