TAX BUDGET REVIEW

Highlights of the 2021 budget

PIETER JANSE VAN RENSBURG - AJM TAX

Pieter holds the BAcc.LLB degree from Stellenbosch University. His postgraduate qualifications include a HonsBCompt from the University of South Africa and the MAcc (Taxation) degree from Stellenbosch University. He is Chartered Accountant and non-practising advocate of the High Court of South Africa and consults on South African direct and indirect taxation. Pieter serves as a non-executive director on the Board of the South African Institute of Taxation (SAIT).

DANIEL SILKE - POLITICAL FUTURES CONSULTING

Daniel Silke is recognized as one of South Africa's leading political economy analysts, futurists and most passionate keynote speakers. His success lies in blending both economic and political trends in highly accessible yet insightful presentations. As Director of the Political Futures Consultancy based in Cape Town, Silke serves a host of major global blue-chip companies with outstanding keynotes and workshops aimed at the convention, conference and events industries. He has over 15 years' experience in delivering flagship presentations on Global, African and South African political and economic trends.

ADRIAAN GIESSING - SEED INVESTMENTS

With a B.Com in Financial Management and B.Com (Hons) in Business Management, Adriaan began his career in 1996. He worked within various corporate sectors, including Denel, Macsteel International, Island Ventures Jersey Ltd and the SA Sugar Industry as an International Trader and Economist before becoming a CFA Charter Holder in 2004. By 2006, Adriaan was Head of Institutional Business and Retail Investment Marketing at Stanlib. In 2010, Adriaan joined the Liberty team as their Regional Marketing and Distribution Director before being appointed Liberty Broker Division Regional Head in 2011. Adriaan joined the Seed team in 2019 as Head of Distribution.

SIMON BROWN - JUST ONE LAP

Simon Brown is a market commentator, educator, trader and investor. Developing a keen interest in trading during the mid-1990s, Simon learned his market lessons at the School of Hard Knocks. Throughout his career, he has launched a number of successful trading and market-related businesses. With each venture he became increasingly aware of a huge gap for free and readily-available financial education. Since 2002, Simon has been honing his educational prowess on various platforms, ranging from his own business, SAWarrants, to Standard Online Share Trading (OST). His educational experience culminated in a desire to offer free, trustworthy education and thus Just One Lap was born.
