The Life And Work Of The Amazing Joan Maggi

My Mother, the great artist
Joan Maggi passed away
on January 14, 2001,
leaving a powerful legacy
and a collection of beautiful

art. Without the economic means to store each painting that she created, the artist was forced to paint over many pieces but had the foresight to take photos/slides of the pieces.

I created a virtual gallery as a tribute to her, with the purpose of sharing her marvelous art with the world. Please click the link below, share with others and enjoy!
