

On 14 - 25 August 2017, the Association for International Arbitration (AIA) is hosting its eighth European Mediation Training for Practitioners of Justice (EMTPJ) in Brussels, Belgium.

Apply before 30 April 2017 to take advantage of an Early Bird Rate of 25% off!

In addition, at all times, AIA members benefit from 500 EUR tuition fee reduction.

The EMTPJ is an 11-day intensive training course on cross-border mediation in civil and commercial matters. The training is unique because it is tailored to cover both theoretical and practical elements of mediation from the European perspective. Establishing such a training represents an important milestone for mediation, as it allows participants to apply for accreditation in many jurisdictions (including in Belgium by the Belgian Federal Mediation Commission), thereby creating truly **'European Mediators'**.

Do not miss the application deadline: **1st of July 2017.**
